Record Of Annual Town Meeting

March 10, 1981

To the inhabitants of the Town of New Hampton, New Hampshire, in the County of Belknap in said State qualified to vote in Town affairs.

You are hereby notified to meet at the New Hampton Town House on Tuesday next at ten o'clock in the forenoon to cast your ballots for Town Officers and for Questions required by law to be on the Ballots. Polls to close not later than 7 PM.

Moderator A. Alden Hofling opened the meeting at 10 AM Tuesday, March 10, 1981, with the following reading.

Article 1 on the warrant: Shall the Town adopt the zoning ordinance as proposed by the Planning Board?

Article 2 (on Ballot): Shall we adopt the provisions of RSA 654:34-A permitting application for changes in party affiliation to be made with the Town Clerk?

The remainder of the Warrant will be acted upon at the New Hampton Town House Saturday, March 14, 1981, at 10 AM.

The Moderator then opened the polls for voting.

The Moderator opened the absentee ballots after 3:00 PM. There were 44 applications sent out, 41 were returned.

At 7 o'clock the polls were closed and the ballots were sorted and counted.

There were 399 regular and 41 absentee ballots, Total 440.

There are 795 legal voters as of this writing which means we had a 55 percent turnout. Let's try to beat this next year.

We had 2 sets of ballot clerks tallying. Group 1 — Caller Hope Clement, Counters Patricia Torsey, Chester Butcher, Barbara Chase. Group 2 — Caller Ralph Huckins, Counters Katherine Seavey, Jeanette Hahn, Ralph Ness.

The Moderator, Town Clerk and two Selectmen counted and tallied the two ballot questions.

Question 1: Are you in favor of the adoption of the zoning ordinance for the Town of New Hampton as proposed by the Planning Board?

Yes 203

No 221

Article 1 defeated.

Question 2: Shall we adopt the provisions of RSA 654:34-A permitting applications for change of party affiliation to be made with the Town Clerk?

Yes 262

No 121

Article 2 accepted.

The Moderator then read the totals for the regular ballot.

We adjourned at approximately 10:00 PM.

March 14, 1981

A. Alden Hofling opened our adjourned meeting at 10 o'clock in the forenoon March 14, 1981.

A Flag ceremony was performed by the Girl Scouts, Cadette Troop No. 71, made up of Jennifer Curtis, Christine Hofling and Leanne Marinace; Junior Troop No. 123, made up by Sarah Hall, Jennifer Stern, Julie Athanas, Charlotte Rice, Hilary Stern, Samantha Thomas, Tracy Decker, Sarah Rice and Beth Blake; Brownie Troop No. 790, Margaret Marinace and Sarah Maineri. They were well trained and did an excellent ceremony.

The poem "New Hampton" written by Stephen Gordon Nash in 1854 was read in unison.

Salute to the flag and "America" was sung as a final part of the ceremony.

Barbara Chase reminded us on procedure of registering to vote.

Mr. William Clement gave a short resume on the State of our Town.

The Moderator reviewed the voting procedure that he would use in the voting.

The Town Clerk was asked to read the minutes of the March 10th voting.

Article 3 was read by the Moderator: To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

Article 6 was accepted.

Article 7 was read by Moderator: To see if the Town will vote to raise

and appropriate \$98,000.00 for the construction of a Town Office Building on 3B South known as the old school house and the old town shed, and to further authorize and empower the Selectmen to issue serial notes or Bonds in the name of the Town and on the credit of the Town and to fix time and place of payment, the rate of interest, terms and maturities and provide for the sale thereof for a period not exceeding ten years and to further authorize and empower the Selectmen to perform all other acts necessary to accomplish the raising of such voted sum all in accordance with the New Hampshire Revised Statutes Annotated 1955 Chapter 23 known as the Municipal Finance Act and any Amendments thereto.

At this time the Town Clerk read a letter from Kathryn Underhill pertaining to this article. As follows:

To the citizens of the Town of New Hampton, N.H.
Article 7 in the Town Warrant March 14, 1981

Having concientiously served on a very fine committee to locate a key and equitable location for a future Town Office Building, I wish to go on record that the proposed old Town shed would not be my No. 1 choice. Upon checking with several members of the Committee, including the Chairman, I find that not one of us was advised of the Selectmen's plan to have this drawing to present to this Town Meeting.

Sincerely,
Kathryn H. Underhill

The article was moved by Donald Morrill and 2nd by Richard Hallberg.
Discussion.

Bernard read a motion to amend article as follows:

(1) Action on Article 7 be deferred until due notice by Selectmen on or before June 30, 1981

(2) Appointment of a new Town Space Needs Committee willing to serve comprised of (A) All current elected and appointed Town Officials; (B) All Members of the Board of Trustees of the Gordon-Nash Library; (C) Any volunteer citizen, Trustee of the Town of New Hampton, N.H., willing to actively participate.

(3) The charge of this committee shall be to research and develop a proposal responsive to the space needs for effective and efficient conduct of Town business with appropriate consideration of the New Hampton Tax burden.

Record Of Special Town Meeting

June 27, 1981

Moderator Alden Hofling opened the special Town Meeting in the Town House at 10:00 AM Saturday, June 27, 1981. He asked Rev. Cleveland and the Boy Scouts of America of the Town to come forward.

The Boy Scouts presented the Flag, and we gave the Pledge of Allegiance. We then sang "America The Beautiful" and "God Bless America." Reverend Cleveland then gave the invocation.

The moderator postponed presenting the Gold Boston Post Cane at this time. The cane was absent.

The Moderator read the warrant as follows:

To the inhabitants of the Town of New Hampton in the County of Belknap in said State, qualified to vote in Town affairs; You are hereby notified to meet in the Town House in said New Hampton on Saturday, the 27th day of June 1981 at 10:00 o'clock in the forenoon, to act upon the following subjects: (Pursuant to Superior Court decree dated June 8, 1981, authorizing the calling of a special Town Meeting with the same authority as an annual meeting):

Article 1 To appropriate the sum of \$32,000.00 for the purchase of a dump truck and to raise said sum by taxation, by application of insurance proceeds, or by borrowing on the credit of the Town under the provisions of the Municipal Finance act, as amended by Revenue Sharing funds; or by any combination of the foregoing methods and to take any other action relating thereto.

Article 2 To appropriate the sum of \$98,000.00 for the construction of a Town office building, including acquisition of land for the site, and to raise said sum by borrowing on the credit of the Town under the provisions of the Municipal Finance Act, as amended, and-or bonding, and to take any other action relating thereto.

Article 1 was reread by the moderator and was moved by Richard Hallberg and 2nded by Herman Chase.

Richard Hallberg moved that the sum of \$32,000.00 be appropriated for the purchase of a new dump truck, that said sum be made by application of insurance proceeds, the sum of \$21,579.00, the balance to be made by

taxation and that the Selectmen be authorized to take all necessary action relating thereto.

After discussion the Moderator read article as moved by Hallberg and asked for a written ballot, "yes" in favor, "no" against.

Before voting Richard Hallberg was asked to present the Gold Boston Post Cane to Mr. Joseph Cilley who at 91 was the oldest inhabitant in the Town. Both the Moderator and Mr. Hallberg gave very appropriate words at this time.

Following this presentation the Moderator asked Ralph Huckins, Pat Torsey, Leon Torsey and Katherine Seavey who were deputized to be ballot clerks, with the Selectmen as counters.

Ballots cast 61 — 38 Yes, 23 No

The Moderator declared Article 1 was accepted.

Article 2 was read by the Moderator and moved by Herman Chase and seconded by Richard Hallberg.

During the discussion Bernard Smith, chairman of the Building Committee, gave a resume of what the committee has done. Chester Butcher made some remarks and said Arthur Seavey, secretary for the committee, would be glad to make the minutes of their meeting available to anyone interested. Mr. Marinace explained about the Heat Pump System and also recommended a sprinkler system.

Bernard Smith made a motion to amend article to read \$82,000.00 instead of \$98,000.00, \$2,000 of this amount to be used for a fire sprinkler system, motion was seconded June Smith.

An Aye vote on this amendment was accepted by the Moderator.

The Moderator reread article as amended \$82,000.00 instead of \$98,000.00 and article was put to a vote.

Total ballots cast 60 — 30 Yes, 30 No

Article 2 was defeated.

Motion to adjourn was accepted at 12:15 PM Noon.

Respectfully submitted,
Arthur E. Seavey

New Hampton Police Department

1981 Annual Report

The Police Department continued its commitment to training of officers including the certification of George Chartier as a part time police officer by the N.H. Police Standards and Training Council which meets their mandate that all part time officers be certified by January 1, 1983. Officer Merritt Salmon successfully completed a 40 hour course in accident investigation. Chief Butcher and Officer Salmon successfully completed a two day training in proper operation of radar equipment and have been certified by the N.H. Police Standards and Training Council which meets the mandate of the Laconia District Court.

Criminal statistics for 1981 continued to show a decrease in serious crime with 6 burglaries to seasonal homes, 3 burglaries to year round homes and 3 burglaries to businesses. There were 22 thefts and 28 acts of vandalism reported. The dispatch center recorded 1760 telephone calls and complaints to the department. There were no fatal motor vehicle accidents in town during the past year.

There will be two articles in the 1982 town warrant for capital expenditures for the police department. The first article concerns the purchase of a new vehicle to replace the present cruiser. It is our intention to present several options for your consideration including four wheel drive, front wheel drive and diesel engines with the purpose of giving better maneuverability and greater fuel savings. The 1979 Buick cruiser has about 140,000 miles on its speedometer and has cost approximately 16½ cents per mile to operate. This cost includes purchase price less present value, insurance, repairs, tires, gas and oil. The second article concerns the purchase of a new mobile radio for the cruiser as the present radio is ten years old and has been recommended by radio repair people to be replaced before it needs expensive repairs to keep it in operation.

The department was very disappointed that the town voted not to provide town office space this past year. The police department desperately needs office space and hopes that the town will continue to keep this a high priority in the future.

Once again thank you for your cooperation and support you have given to the Police Department.

Respectfully submitted,
Chester W. Butcher Jr.
Chief of Police

New Hampton Fire Department 1981

The New Hampton Fire Department would like to express its appreciation to the New Hampton residents for their cooperation in fire prevention & control.

The Town once again has relatively few fires caused by the residents.

The log shows a decrease in Fire Department calls from 82 in 1980 to 50 in 1981. This however still amounted to over 1500 man hours as several of the calls were extensive.

The records show 12 chimney, 11 brush or woods, 5 structure, 5 automobile, 2 gasoline wash down, 2 electrical, 4 mutual aid at scene, 5 mutual aid cover truck, 1 dump, 2 miscellaneous and one mountain rescue.

The Departments Fire Fighters and Officers have participated in extensive schooling of over 550 unpaid man hours.

Once again we would like to offer assistance in proper installation of woodstoves or furnaces; a little extra time or material may save lives and property.

Emergency Medical Services Report

1981

This year we were pleased to have added two additional Emergency Medical Technicians to our squad. All members of the squad were constantly attending courses to maintain and upgrade their skills. This training was done not only in state, but some was even done out of state. Much of this training was paid for by a local school and local industry and their support is appreciated.

This year much time was spent in gathering equipment for automobile rescue work. Two EMTs spent an entire weekend devoted to the rescue and treatment of automobile victims.

The members donate all their time. There is no money received for training or the services provided. There is no charge to the people we assist except for the ambulance if one is required.

The services are available 24 hours a day by calling the Fire Dispatch number, 524-1545. They will dispatch medical aid, the fire department, an ambulance and the police, whatever is required.

New Hampton Conservation Commission

Caring for children, generosity, friendship . . . the background for the gift to the town of an acre of lakefront for a town beach. For those not present at Town Meeting last March when the town voted unanimously to accept this thoughtful gift, we know you joined in spirit the standing ovation led by Guy Davis for Miss Martha Eliot Buttenheim.

The Smoke Rise Preservation Association, through a donation-sale agreement, further enhanced the Town Conservation Area by permitting us the acquisition of an additional six acres of frontage on the Pemigewasset Lake outlet . . . further protecting the waterway in perpetuity from development. Our thanks to Aaron Jaffa. The agreement was concluded in June.

Work projects are proceeding. Volunteers have built two sturdy pole shelters and a large cleanup was conducted at the entrance to the area. It was a delight to see the enthusiasm and cooperation of the many generations of the Drake Family who have put hours to restoration of the farmsite.

The long-delayed firewood cutting finally took place and 21 New Hampton families received 2-3 cords of wood. The project was a timber-stand improvement suggested by Bud Nelson, the Regional Forester, who has given us a five-year plan for the protection and further enhancement of the area forests for sale purposes and protection of wildlife habitat. Audubon members reported sights and sounds of a very large variety of birds on the Conservation Area.

The large logging operation conducted by B. Fred Avery has been completed; however, cleanup and restoration of roads will be undertaken when the snow clears. Some felled trees will also be removed at that time and Mr. Avery will install waterbars on the slopes prior to thaw. He too has volunteered his time and equipment to assist with the improvement of other roads on the Conservation Area and this assistance will be gratefully accepted.

An environmental impact study was conducted by New Hampton School students on the Buttenheim Beach lot, assisted by Plymouth State College Student-Intern Clayton Davis. (Mr. Davis is on his way now to Senegal in Africa to work in a rural village as a Peace Corps Volunteer).

Additional trees were planted on Main Street (one in memory of Mrs.

Alice Marsh) and the berm along the street in front of the school upgraded. Our appreciation to the New Hampton School Maintenance Dept., New Hampton Highway Dept. and the State Highway Dept. who gave assistance as needed. It is hoped that additional improvement on the street will continue and that the plows this winter continue to consider these improvements. At a recent meeting, the Commission voted to urge the Selectmen to consider a snow REMOVAL plan for the future, rather than just pushing the snow back around the trees and on to the Town Common.

Our thanks to all who have helped during this past year. We look forward to your help again and to new faces too, this next spring.

Planning Board Report

1981

Growth in New Hampton continues to be more gradual than in many other parts of New Hampshire. This year the Planning Board approved seven subdivisions, creating a total of twenty-six new lots. (One subdivision was denied because the new lot did not meet state septic requirements.)

The Planning Board also revised the Subdivision Regulations so that they now conform with the new state laws. We were most disappointed that the Zoning Ordinance was not approved but were encouraged that the vote was so close.

Many thanks to Joyce Marinace for her years of hard work and dedication. Thanks also to the Lakes Region Planning Commission which has provided both advice and support as we have tackled new problems.

Respectfully submitted,

New Hampton Recreation Commission

The Annual Easter Egg Hunt began the activities for 1981. Mrs. Ruth S. Joyce was chairman of this event with the other board members working to make this a fun day for children and their parents.

Then we moved on to our Summer Program for children entering First Grade through Grade 6. The program at school was exciting along with trips to Franconia State Park and Aerial Tramway, Wellington State Park, Weirs Water Slide and others. Visits were also made to the library with programs planned by the librarian, Mr. Waldman.

The Director of the Summer Program was Anthony DiNardo who is a teacher at Rumney Schools. The Assistant Director was Jeff Barton who had completed his third year at PSC. Chris Finer, a teacher at New Hampton Community School, was Water Safety Instructor for his second year. This staff did a fine job with the children.

Old Home Day was made more enjoyable for children and some parents with a Peanut Carnival where peanuts are purchased to be used as tokens for playing the games. Other games were played by children and parents. Hotdogs sold out and the food sale was successful. This was similar to the P.T.A. carnival that had been held for many years. Many thanks to Tony and Jeff and to Everett Huckins who co-ordinated this with the Old Home Day Committee. We hope this will expand in future years to include other organizations as it makes Old Home Day a fuller day with more activities for everyone to look forward to or even a better atmosphere for visiting long time acquaintances.

We are striving to find needs of the townspeople of all ages to see whether or not we could fulfill these needs. We would be happy to listen to suggestions and comments to help us. RECREATION IS EDUCATION.

We would also like to express our appreciation to the Conservation Commission who erected some pole shelters for use by the Summer Program. Due to lack of access and safety factor and the excess of mud we decided not to use the area. A fun day was planned for the area, but we were unable to do this because of weather and previously planned events. Hopefully next year will be better.

Respectfully,

Madeline D. Wilkins

Bristol Community Center

Annual Report - 1981

February 5, 1982

Dear Friends,

On behalf of the Bristol Recreation Advisory Council, it gives me great pleasure to submit this annual report.

The Energy Efficiency Fund campaign success can be attributed to the countless numbers of volunteers who devoted their time and man-power unselfishly. To these people and for the many expressions of financial support, the department is deeply grateful.

1981 activities were highlighted by the first JAZZEX Aerobic Class Demonstration and classes, the afternoon extra school activities (floor hockey, team sports, basketball, open house), the popular "March Magic" dance, the Remember When Night, Fun-I-Val for all ages, the first Butch Hoyle Archery Tournament, the Kid 'N Kaboodle Youth Talent Show, the annual Lobster Supper, and the first annual Apple Festival.

The year-round program of recreational activities will continue to grow and to produce stimulating opportunities for all the residents of the New Hampton Area. Anyone in New Hampton is welcome to participate in the programs at the Center. I sincerely hope that we may, with cooperative effort, provide exciting recreational experiences in the upcoming year.

I will continue to be available to assist in the recreation programs New Hampton provides.

Sincerely,

Tad Nunez
Director of Recreation

Gordon-Nash Library

**For the Annual Report of the Town of New Hampton
1981**

We would like to thank the many people in our community who have been so supportive of our efforts to maintain the Gordon-Nash Library tradition of offering complete and personal service. The Judge Nash rooms are as busy as ever with meetings of groups like the Extension Services, Women's Club, and Garden Club, with exhibits such as those of Abbie Ahearn Seaver, Pat Blood, and Marcy Morin, and with concerts and programs such as Virginia Armstrong's recitals, New Hampton School student music programs, movies including "On the Waterfront" and "Kon Tiki," and the Writers on Writing Series.

Circulation statistics illustrate constant use by all of our patrons: residents, students and sojourners. Our children's programs, story hours, and movies, as well as summer activities have been complemented by a new pre-school activities hour. As our collection grows we have added a paperback section totally comprised of books donated by our patrons.

Extensive renovations including lowering our ceilings and adding insulation, installation of quiet efficient lighting fixtures, and rebuilding our roof have been completed this year in our program to have a comfortable and energy efficient facility.

The staff this year has included: Robin Baum, Virginia Bushnell, Hope Clement, Asst. Librarian, Betty Huckins, Karen Maineri, Betty Miller, Ethel Rogers, Darlette Smith, and Robert Waldman. The involvement and commitment of the New Hampton community reflect a pride which continues to make our library very special.

Newfound Area Nursing Association

Annual Report

To sick residents the agency made 15,423 visits to 402 people. Keeping ill people in their homes as opposed to placement in a more costly institutional setting is the one goal of the Newfound Area Nursing Association.

Our Hospice N.A.N.A. component made it possible for twelve patients to die at home, where they chose to remain. The average cost of an eleven day hospital stay was \$21,000 in 1981. The average cost of our home deaths over a four month period was \$3,400. The patients and families are more and more choosing Hospice care as the way they prefer to die at home with dignity. Our 24 hour, 7 day a week service makes this choice a possibility.

In September of 1981, the state put a cap on Medicaid Home Health visits to a thirty visit limit. This has affected the forty-six Medicaid clients we currently serve and maintain in their homes (Alexandria 10, Bristol 27, Bridgewater 1, New Hampton 8). The legislators are working to undo this problem, however, the State is still funding one hundred percent of payment to nursing homes thus giving the long term care client **no other choice** but costly institutionalization. The towns, therefore, become the local liable government unit for the patients' bills once they are institutionalized.

In addition to our illness program, NANA offers wellness programs including Child Birth, Pre-Natal, Well Child, Nutrition, L.I.F.E. (Learning Information From Elders), Hypertension, and Hospice Bereavement.

Well Child offers our pre-school children the chance to have normal growth and development under the medical supervision of a physician. It is a multifaceted program with all areas of growth observed. Nutrition, physical, emotional, social and dental counselling are offered to the young clients on a monthly basis. The program was never funded by the state and a special thank you must go to our physicians who donate their time and the Lindsey Trust Fund who has donated \$3,500 to pay the nurse coordinator.

It is the hope of the Board and Staff of the Newfound Area Nursing Association to continue to offer these programs to all residents of Bristol, Bridgewater, Alexandria, and New Hampton with more and more emphasis on the prevention wellness aspects.

Lakes Region Planning Commission

The Lakes Region Planning Commission provided both local planning assistance and regional planning services during the past year, concerning issues of local, regional and state importance. The Commission continued its community assistance program, working directly with the New Hampton Planning Board, providing information and assistance regarding town subdivision regulation amendments so as to bring these regulations in compliance with new State Law.

In addition, the Planning Commission provided a model regulation governing the excavation of earth and the reclamation of excavation sites in accordance with State Statutes, and provided site assessment and technical analysis on the impacts of a development proposal within the community. The Commission is providing assistance in changes to the State Solid Waste Management Plan. These changes should provide for a fairer funding formula and a more realistic implementation schedule for the regions communities.
